REPORT TO THE PUBLIC
Dubois County Community Foundation is a public, charitable foundation. At our core, we do three things:

- We make grants to nonprofits doing good work in our community.
- We help donors improve quality of life by charitable giving to endowments, building sustainable resources for charities.
- We provide philanthropic leadership, finding new ways to make Dubois County an even better place to live and work.

The Community Foundation, a 501(c)3 nonprofit organization, is governed by 15 volunteer community members from across the county who oversee strategic planning, establish policy and set priorities.

Our goal is to connect community members with the needs they care about most and empower them to make a difference in Dubois County through philanthropy. The Community Foundation is here for you – and because of you.

These individuals were named in a gift to the Community Foundation.
The Legacy Society of the Dubois County Community Foundation was founded to recognize and honor the generous donors who have included the Community Foundation in their estate plans. Too often, these gifts are unrecognized because they come at the end of the donors’ lives. The Legacy Society provides a way to celebrate and thank those donors who have made a commitment to our community through the lasting impact of a planned gift.

Please contact us to alert us of any errors or omissions as we strive for accuracy when we recognize our donors.
