

GIFTS OF LIFE INSURANCE

Giving life insurance through Dubois County Community Foundation is one of the simplest ways to make a significant contribution to your community and establish your legacy of giving.

A gift of life insurance provides:

- a way to make a significant gift at a relatively low cost
- income tax benefits if the Dubois County Community Foundation is both owner and beneficiary of the policy
- flexibility and continued security for family members if the Dubois County Community Foundation is named a contingent beneficiary or one of several beneficiaries, if you keep ownership of the policy
- a reduction in estate taxes

How It Works:

- You transfer ownership and beneficiary designation of the policy to Dubois County Community Foundation.
- Donor continues to pay premiums (if any) to the Dubois County Community Foundation or simply make the Dubois County Community Foundation a beneficiary or contingent beneficiary of an existing policy.
